DATES:

November 1: CSA - presented by **Trillium CSA Farm**

A local Community Supported Agriculture organization, Trillium Farm has become the destination for those seeking fresh, local, chemical-free produce. Farmers Michael VanderBrug & Anja Mast will discuss the many benefits of this exciting trend in food production.

November 8: Buying Local - presented by **Local First**

Local First is an organization that encourages a vibrant, sustainable West Michigan economy. Elissa Hillary from Local First will speak about environmental and other ethical aspects of purchasing locally.

November 15: Fair Trade - presented by **TBA**

We are negotiating with a local business that practices Fair Trade and will discuss the “why” and “how” of this business model which strives to treat all people with dignity.

TIME: All presentations are **10:00am** to **10:45am**.
