Sandy's Helpers Needed!

Sandy (Sandy Van Dragt) is checking her list and checking it twice! Please help decorate the sanctuary for our lovely Christmas Eve service. First on the list: **Sunday, Dec 20 at 9:30 am**, help bring the sleigh full of decorations from storage to the rear of the social hall. Second on the list: Sunday after service, decorate the sanctuary. This should take 30-45 minutes. As Sandy says: "It's a piece of cake! Any reindeer could find their way!" Third on the list: Christmas Eve after the service, help pack up the sleigh for storage until next year! Sandy will be delivering good cheer to other girls and boys this Christmas, so we need a head elf or two for everything on the list. Kids and adults welcome - come as a group or a family. Be on Sandy's nice list this year and volunteer!

All Souls Community Church would like to thank you for participating in this year's 6th Annual Silent Auction.

Thanks to your generous support, we have raised almost \$8,000, with a third of the net proceeds going to the Grand Rapids Chamber of Commerce's Institute for Healing Racism.

This money will be used to eliminate individual and institutional racism by providing scholarships for people to attend their two day or ten week reflective learning programs.

We appreciate you walking with us, as we work to liberate and cultivate the spirit. We look forward to your participation next year.

SOCIAL ACTION COMMITTEE ITEMS

Georgine Linart Bello

The Social Action Committee (SAC) provides social action ideas, information and support to the boards and groups of ASCC. The SAC supports -to the extent possible and desired- the program boards and covenant groups or an individual's efforts at social action. The boards, groups or any individual are responsible for deciding on a project and carrying it out, but are welcome to ask for support. SAC members will decide if they can help in the requested capacity. The committee takes turns setting up an information table in the lobby with ideas and information regarding social action, on (most) Sundays during the fall program, primarily. The group chair is the liaison to the Michigan UU Social Action Network (MUUSJN) and partakes in its activities/committees to the extent possible and desired and would also provide info from MUUSJN to the SAC and ASCC via email and the info table. The SAC committee also submits recommendations to the BOT for four (4) Shared Plates per year which support social actions that uphold UU principles, to be collected at worship services on the third or fourth Sundays in February, May, September and **on December 24**.

1) **SAC Monthly Meetings** - Beginning in January, the Social Action Committee will meet monthly. Please contact me at glbello@hotmail.com if you would like to join the committee.

2.) **Southwest Community Campus (SWCC)** - As a member of the Social Action Committee and ASCC, I started building a relationship with Southwest Community Campus School and will present opportunities for ASCC members to participate in this effort. SWCC is a dual immersion (Spanish and English) K-8th grade school of choice of the Grand Rapids Public Schools. There are approximately 800 students. It is 98% free lunch, very low income, and a very diverse of a primarily Hispanic population (Cuban, Dominican Republic, Puerto Rican, Mexican, Guatemalan, Salvadorian) and a fair number of African Americans. Current efforts might include; classroom wish list, financial help with field trips, volunteers with Schools for Hope (a reading/mentor program already established in the school) and mentor program. The Hispanic population in GRPS needs attention, even more so with cuts to the budget. Dropout rate among Hispanics in GRPS is at an epidemic level.

Thus far, we have conducted a winter clothing drive. The Kindergarten teachers and support staff are truly grateful for all the donations they have received thus far from our winter clothing drive -several hat and glove sets, girls underpants, 5 winter jackets, and 1 snow pants. **Please remember that you can designate that your contribution to the ASCC Christmas Eve plate go to the SWCC winter clothing drive.** We'll see what the plate brings them. Their goal is to purchase more snow pants and jackets so kids can keep dry and warm at recess and when waiting for the bus. Thank you!!

3.) **Opportunity at SWCC - Become a reading mentor at SWCC.** SWCC is a Schools of Hope site. Schools of Hope is a reading program of United Way that seeks to close the reading achievement gap between the highest performing districts in Kent County and the Grand Rapids Public Schools. This is a 30 minute weekly commitment with the same child (30 minutes is spent with the child; 5 minutes to log activity and progress). A one time, very informative, 2 hour training is provided and a background check required. I met my child this week and am thrilled! I wasn't sure of what I was doing, but I think he was more thrilled than I was! And, there is a lot of support to help you help them. Let me know if you are interested at glbello@hotmail.com.

There is a lot of Social Action going on at ASCC. Some examples of which I am currently aware are: The All Souls Community Church Annual Auction of which portions will go to Institute to Heal Racism, a Covenant Group is meeting regularly with Kids Food Basket, the Religious Education (RE) Program's Thanksgiving Food Drive and Toiletry Drive for Dagege, and our warm weather clothing drive for Grand Rapids Public School's South West Community Campus (SWCC). Thanks everyone for your time, contributions, concern and efforts.

A big Thank You to those of you who helped support this year's auction: by donating items, painting with the RE kids, helping with set up, attending the auction, participating in the ASCC Only Auction, volunteering to work the auction, or helping with clean up. The auction committee really appreciates your support. We especially would like to thank Ruth Butler for doing another fabulous job as emcee this year. As well as San Chez, for providing the delicious food and beautiful facility, thanks Cindy and Dan! And to our amazing volunteers that helped make this auction run smoother than ever: Jen Hall, Tracie Coffman, Andy Truax, Annie Logan, Suzanne Zack, Elizabeth Weaver, Sandy VanDragt, Maggie Johnson, Kathleen Johnson, and Mikaela Harris.

Collecting Toiletries for DeGage Ministries

This holiday season, the children in the Religious Education program will be collecting much needed toiletry supplies for those who can't afford them. The children will be putting together toiletry "dopp kits" and delivering them to DeGage for their visitors. We are looking for TRAVEL SIZE shampoos, toothpastes, toothbrushes, deodorant, soap, mouthwash, etc. We are also hoping for pairs of socks. If you would like to donate these items, there will be a colorfully decorated box on the RE table for you to drop items into. Also, if you'd like to make a cash donation towards the purchase of these items (we are also hoping to get small nylon bags at a dollar store to put the items in), that would be appreciated as well.

Thank you!

All Souls Community Church is a church dedicated to religion, but not to a creed. It is a liberal religious community of free individuals of all ages walking together in relationship to one another, to our larger community and to the transcending mystery of the universe. Our community is based on open communication, democratic process and a belief in the capacity for goodness in all people. Our spiritual health and our growth as a church community are intimately connected with the spiritual growth and development of our children. We pledge to develop our church community with this always in mind. This church aims at celebrating and cultivating community, a sense of inquiry, moral character and insight, religious freedom, and helpfulness to humanity. That is, it aims at liberating and cultivating the human spirit.
