

ASCC Strategic Plan: Living Into Our Values

All Souls Community Church (ASCC) Strategic Plan 2026-31

Mission: Celebrating and Cultivating Community by Liberating and Inspiring the Human Spirit

Finding our Path

We have clear and navigable internal systems so that each person can discover their role in nurturing our congregation.

Sharing our Lives

We cultivate a culture of care that helps members and visitors feel connected and interdependent.

Extending our Reach

We partner with area institutions to deepen our impact on the community and broaden our network for action.

Tending the Flame

We are visible as Unitarian Universalists who celebrate theological diversity and spiritual growth.

Siding with Love

We organize toward a vision of a just world where all human and nonhuman communities thrive.
